Professional Development Programs Institute

6 training centres in Saint-Petersburg

400+ instructors

3 branches in Russia

300+ training and educational programs

25 000+ trainees annually from
>20 countries

50+ simulators and laboratories

prof.gumrf.ru

Focal Training Programs at PDP Institute

Dynamic positioning operators training (accredited by The Nautical Institute)

Crew members training on alternative marine fuels

Crew members training for maritime autonomous surface ships (MASS)

Crew members training for ships operating in polar waters, ice class vessels and nuclear icebreakers

Training courses for trainers, instructors and assessors

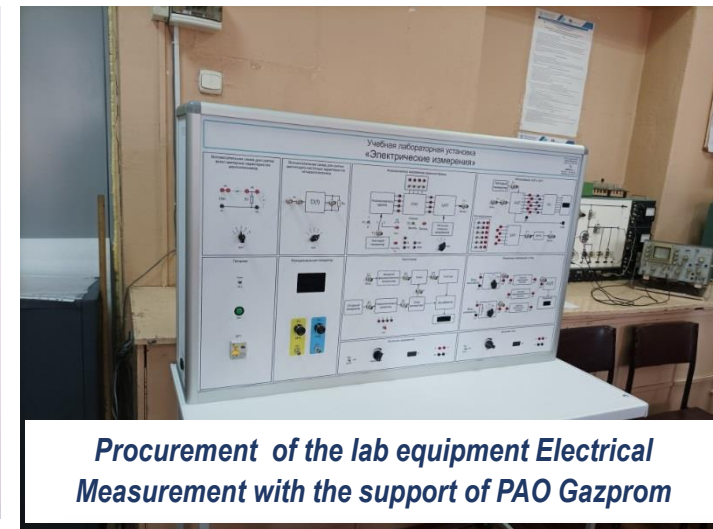

High-Tech Classrooms and Laboratories. Branded Classrooms

Upgrading a radar simulation room with the support of PAO Sovcomflot

Opening a stress relief room with the support of PAO Gazprom

Procurement of the lab equipment Electrical Measurement with the support of PAO Gazprom

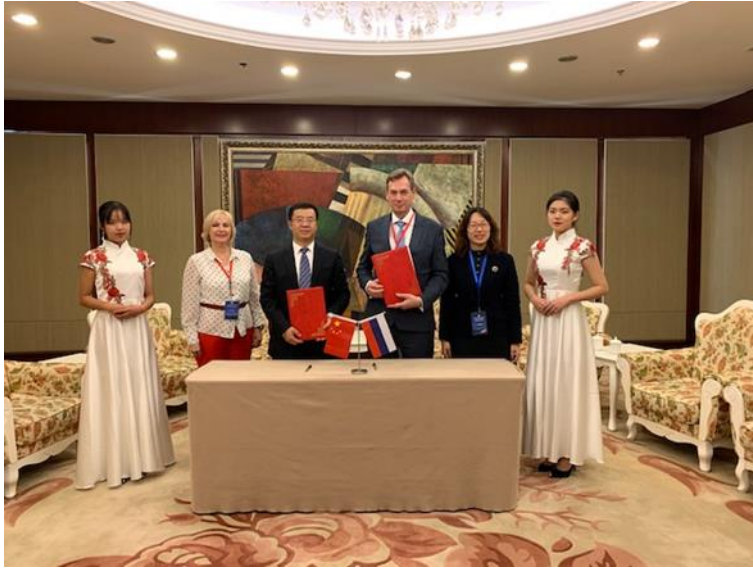

Opening a simulation training room on IGF Code with the support of Russian Maritime Register of Shipping

A branded room Volgaflot (JSC Volga Shipping)

Opening a historical patriotic complex Northern Convoys

International Cooperation

International activity is based on
the Concept of the Russian Humanitarian Policy Abroad

- 🚢 Students and staff exchange programs, visiting professor programs.
- 🚢 International projects: International Cadetship Program, International Summer School "Young Staff of the Arctic".
- 🚢 Cross-border research collaborations.
- 🚢 International summits, forums, conferences and etc.

International Cadet Program

- ⚓ Cadets get onboard training aboard the vessels of foreign shipping companies.
- ⚓ The program has been running for more than **15** years.
- ⚓ Over **800** cadets got onboard training within the Program.
- ⚓ **50** cadets undergo onboard training annually.

5th year deck cadet, Dynagas Ltd.

5th year deck cadet, Koban Shipping Ltd.

5th year engine cadet, MOL

5th year deck cadet, Dynagas Ltd.

International Summer School «Young Staff for the Arctic»

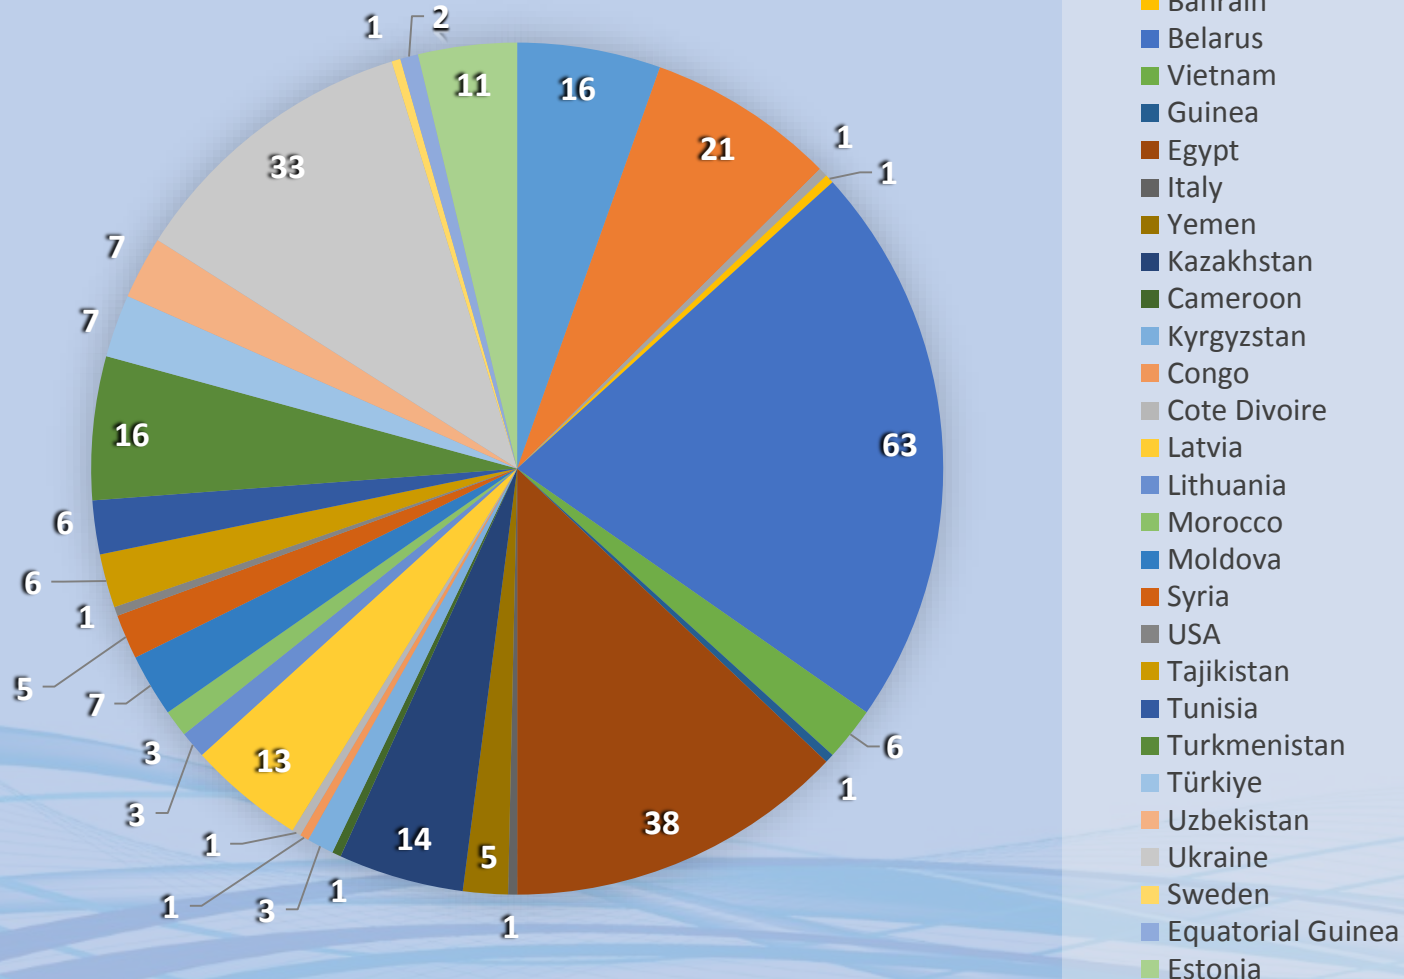

FACTS & FIGURES Project 2023

-  The School lasted **5** days
-  **15** students took participation
-  **11** GUMRF lecturers and instructors delivered the classes
